

The Star

Vol. 54, #11

November 2011

Is the End is Near?

"But in those days ... stars will be falling from heaven ..."

Mark 13: 24-25

The text above happens to be this year's Gospel lesson for the first Sunday of Advent. Too often we consider such texts only in light of sensational claims like that of Harold Camping, who earlier this year claimed the world would end on 21 May.

Your pastor does not anticipate the end of the world anytime in the near future (i.e. 12/21/2012). Scripture tells us that not even the Son, but only the Father who is in heaven knows the day and hour of Christ's second coming (Mark 13:32). Come to worship on November 27 and discover the true spiritual value of such apocalyptic texts for 21st century Christians. Learn how we can live authentic lives of faith in challenging times.

Did you notice a change in The Star's masthead this month? It's a reference to the text from Mark's Gospel. More substantive changes continue inside, where Linda Wickmann has experimented with a simpler layout in which articles are presented in fewer columns. Worship highlights for the coming month are inside.

As you read this edition of The Star please reflect on how you interact with our congregation's newsletter. Do you read all of The Star, or only parts of it? Would you rather receive news from East Hills primarily via paper or electronic format? How important to you is the newsletter in maintaining your connection to EHMC? The church will be distributing a reader survey in the near future which will enable you to respond to these and other questions.

We seek to balance our need for good communication with the demands of faithful stewardship of resources and time. Postage, paper, and printing costs all continue to rise. Some months we struggle to find enough volunteers to assemble the newsletter. Your participation in the forthcoming survey will help us chart the best way forward.

Sunday Morning Worship Highlights

East Hills Moravian Church Putz

At EHMC, the Putz is a decoration, a teaching tool and a community outreach program. More than 100 members work together each year to create the Putz for the Advent season.

Children, teens, adults, and seniors make the Putz happen.

A computerized control panel designed and donated by a church member directs the lighting and sound for the Putz. New additions to the putz are some figures, hand-carved in Germany, and Herod's tent, hand-made by a church member.

The EHMC Putz will be open to the public
November 25 through December 30.

Wednesdays and Fridays
6-8 p.m.

Saturdays and Sundays
3-7 p.m.

Closed Christmas Eve and Christmas Day

November BCE News

The Board of Christian Education has been busily preparing for the holiday season and all of the festivities it brings! We have a few opportunities where help is needed and are asking for volunteers for the following events.

November 20 we will be trimming the entire church with Christmas beauty. A children's craft area will be available to keep little hands busy while the grown ups work during the Hanging of the Greens. We are however, in need of an adult craft coordinator to come up with simple crafts and work with Sr. High volunteers to keep our little ones occupied during the event.

December 10th is our annual Family Christmas Caroling outing. The songbooks and jingle bells are ready, we just need an event coordinator to be the point person and leader on the night of the event.

Finally, the board of Christian Education will be saying farewell to 5 of our 10 members at the end of the year. Please, prayerfully consider accepting a position on the board.

If you are led to any of the aforementioned callings, please contact Linda Adams at 610-868-1405.

Save the date: **December 18th** will be both the **Sunday School Christmas Pageant** during the 11:00 a.m. worship service and the **Shepherd's Journey** which will be held at EHMC in the evening. Watch for registration details and spread the word to anyone with little ones!

Poinsettia Orders

It's once again time to order poinsettias to help beautify our sanctuary and Family Center for our Christmas Eve services. Feel free to take them with you following the 9:30 service. Cost for each poinsettia is \$10 and the deadline to order is Thursday, December 1, 2011. Please see page 11 of this newsletter or your Sunday bulletin for an order form.

Preschool News

By Mary Kay Brezinsky

The leaves are changing, the weather is turning colder and every November just before Thanksgiving a group of Pilgrims and Indians dressed in their native attire gather together and share a feast at our Preschool.

Each class prepares some of the foods themselves, learning to measure, pour, bake, and cook until it is time to sit together and enjoy a wonderful feast. The Three Year Old Classes have a traditional Thanksgiving Breakfast and the Four's have a Thanksgiving Lunch. All the children make special placemats that they take home as a Thanksgiving keepsake to be used for years to come! Our preschool feast is a very special occasion for all.

In the days leading up to the feast, the children learn about the first Thanksgiving. They also learn to thank God for the many blessings in their own lives including family, friends, home, school, church and other things they might be thankful for. This gives us a wonderful opportunity to teach little children about what it means to be thankful because in the process we remind ourselves, also.

There are two other important dates to remember in the month of November:

We are thankful for the freedoms we enjoy as a nation and the privilege of voting on **Tuesday, November 8, 2011.**

We are thankful for the men and women who have served our country in the military, some giving their lives, and we remember them on **November 11th, Veteran's Day.**

I would also like to thank everyone who participated in the Preschool Fall Fundraisers. Your support is very much appreciated. The children will benefit from your efforts.

Young Adult Ministry (YAM) News

Young Adult Ministry (YAM) sends care packages to college-age youth attending school, in the military, or in the job force twice a year. If you are a young adult or know of a young adult (your child), please give his/her mailing address to Lucy Thompson (610-691-2708 or slmicro@ptd.net) or Bobby Shimer (610-868-0179 or Barbara.shimer@gmail.com). The young adult will be added to our list and receive a package from us in early November and in the spring. Many of the young adults receiving a box are thrilled to receive it and enjoy the food and fun contained inside. We also need bakers to supply two dozen baked items, individually wrapped; or individually wrapped candy; or small fun activities (age does not matter) for these youth. We are also collecting monetary donations to cover mailing costs. The deadline for contributions is Tuesday, November 1. If you wish to donate or have questions, you may contact Lucy or Bobby at the contact info above. Thanks for caring.

News

By Susan Kriebs

November is **PREVENT DIABETES MONTH!** The American Diabetes Association states that "you can prevent or delay the onset of type 2 diabetes through a healthy lifestyle. Change your diet, increase your level of physical activity, maintain a healthy weight. With these positive steps, you can stay healthier longer and reduce your risk of diabetes." To read more about diabetes, including information about risk factors, visit the American Diabetes Association website.

You can also **KEEP WALKING!** Our Bethlehem to Bethlehem program is progressing very well. We have 113 people of all ages participating in this activity. In just the first three weeks (of a twelve week program), we were already almost halfway there, covering almost 2800 miles. The next challenge will be to continue the wonderful exercise habits that we have established. To help with motivation, consider the following:

What are your reasons and benefits for continuing a life of increased physical activity?

What are your personal goals – both short and long term?

What obstacles do you see ahead that might interfere with achieving your goals?

Being able to answer these questions and coming up with a plan to help you over any hurdles will help you keep going!

CONGRATULATIONS ON DOING SUCH A GREAT JOB!

She can provide information about the different ways ShareCare serves members of our church and our community, and she can make arrangements for ShareCare help if you have a need or know someone who does.

BLOOD DONORS ARE ALWAYS NEEDED! More information will be available next month about our annual EHMC Blood Drive, to be held in early February.

CPR TRAINING will be conducted early in 2012. We will offer training for those wishing to become CPR certified, as well as recertification training for those who were trained in 2010. For information, and to reserve your spot, contact Susan Kriebs.

Share Care News

ShareCare is introducing a new fundraiser in time for that special someone on your Christmas list. A 513 piece puzzle entitled "Postcards from Bethlehem" includes memorable and historical sites around our city. Photography done by our volunteers and made into a beautiful 15" by 21" puzzle at a cost of \$18.00. No need to struggle through the Black Friday crowds to shop for the perfect gift. You may purchase it right here at E.H.MC. on Sunday mornings after either service or call Sue Hahn 610-865-22304 and I will see that you get one.

From the Elders

The Elders this month discussed prayerfully the future of *The Star*. As East Hills gets on board with the information age we are beginning to explore many other ways of communicating ... email, the church website, and Facebook. In fact, *The Star* itself begins life as an electronic document. It is already available on our church website.

As we move forward we are re-evaluating the role of *The Star* in our overall communications strategy. We ask for your thoughts as we seek a solution that provides all our members with timely, meaningful information. In any event, some form of paper communication will be retained for those members not connected to the internet.

Holiday Craft Faire Report

The HCF was a huge success measured by the number of guests who arrived to the show and also the quality of the handmade items the crafters offer for purchase. This was our 10th anniversary. The final income total for this year was **\$6,052.12**, an increase of approximately \$1,000 over last year.

As we look back over the actual Faire with satisfaction, I would like to acknowledge and thank some of the people who spent many hours of preparation before the actual day of the show.

Last summer Jim Eberly was busy making 14 new large wooden directional signs to help our guests and crafters find their way to the church. Ken Stauffer placed them a few days before the show and collected them afterwards. Rich Kriebs was busy removing and replacing the dates on our yard signs this summer as well.

The week before the show Sue and Rich Kriebs were at the church marking the spaces for each crafter with tape on the floor and setting up tables and chairs to be ready for the crafters when they arrived.

Jean Skillman plans and coordinates the Delectable Desserts section of the Faire and she spent part of her summer scanning cupcake and dessert books deciding what interesting goodies she was going to offer at her table.

In early September Jan Schanck was busy collecting all the flyers and donations from various businesses she had gone about requesting for the Goodie Bags for her group of volunteers to assemble.

Eileen Ackerman planned the breakfast she and John, Jr. and a crew prepared long before the day of the Faire, as did Bob Wingrove and his lunch crew.

We had many, many people help throughout the year, but we cannot forget those people who helped the night before and the day of the Faire. They checked in the crafters and helped them carry their items in and out and helped them with set up and take down. They helped change the Sunday school and preschool rooms into craft and dining rooms and back again. They worked cash register and sat at the donations table. They made copies and handed out Goodie Bags or delivered lunches to crafters who were alone. They welcomed guests and did practically anything I asked them to do and they did it cheerfully.

Thank you all so very much!!

Blessings,
Louise Snyder

Mission and Outreach is sponsoring the second Annual Harvest Buffet Dinner to benefit our congregation's food ministry and shelter program. The menu will include chicken, turkey and ham dishes along with sweet potato pie, potato bread stuffing and other fixings and dessert.

The proceeds will also help East Hills Women's Shelter Nite during the coming winter. Hope to see lots of our members and their friends buy tickets and attend this worthy cause. Cost: Adults \$10, children 6-12 \$5, under 5 free. Tickets on sale after church, in the church office or call Rich Kriebs (610-867-5971) or Bob Wingrove (610-867-0537). Table reservations available.

Mission and Outreach is pleased to announce that EPMC will serve as a site for the Bethlehem Emergency Sheltering System this winter. We will be hosting women and children on Saturday nights, beginning December 10. We will need volunteers and a variety of supplies. Watch our website and Sunday bulletins for more details.
