

# PERCENTAGE LIVING

A Process to Grow and Foster Discipleship, Health and Vitality at East Hills Moravian Church

God deserves all, but we live in a world with complex demands on our time, energy, focus and attention. Rather than feel guilty that God does not get more, we can find security and experience growth in our faith and walk with the Lord through the practice of *Percentage Living*, giving to God a specific and intentional portion of my day, week, and life.

## COMMITMENT TO PERCENTAGE LIVING RESPONSE CARD

I/we, (print name/names) \_\_\_\_\_  
 commit to *Percentage Living* in each area checked below, realizing that my East Hills Moravian Church family will support me in these efforts through modeling, teaching, and offering regular opportunities to help me grow in each faith discipline.

- Giving God a Percentage of My Day through Devotional Prayer
- Giving God a Percentage of My Sabbath through Worship and Learning
- Giving God a Percentage of My Time and Abilities through Service and Witness
- Glorifying God through Percentage Saving, Spending and Giving

I/we will take *one step forward in faith* by  making a first-time pledge or  increasing pledge by 1% of income.

I/we pledge to contribute \$ \_\_\_\_\_ each week / month / year (circle one).  I/we tithe or will take a step towards tithing.
